## SPECTACULAR

SPECTACULAR

They say 'You are a product of your environment' Have our surroundings ever mattered more?

We've definitely become more aware. Of our space. Our distance. Our relationships.

For decades we've been bombarded. Thousands of ads each day. So many, we barely notice.

But now we're on the lookout. For guidance. Reassurance. We're open. You're welcome. Please come this way.

The new normal doesn't have to look normal. Your space is your canvas. A chance for expression.

Design your environment. Engineer your success. It's never been easier to create Spectacular Spaces.

## BRAND YOUR WALLS

Your walls are your biggest canvas. And big spaces are your opportunity to make a big impact.

Use your walls to reassure people. Or to excite. Share your story, your journey and your brand. With visitors, with clients and your team.

Engaging spaces make financial sense. Motivate and retain your team. Encourage brand loyalty.

## VINYL, VINYL ON THE WALL

Cover entire walls with vinyl self-adhesive graphics.

Want to live underwater? Done. Feel like you're in a forest? Go for it. Roam with the buffalos? Bet they stink. The options are limitless. One thing's for certain, your space will be inspirational. Vinyl has very high tack, for permanent installation. Printed with light-stable inks, it's intended for long term use and we matt laminate it to make it wipe-clean.

Installation is best done by a professional decorator. Ask about our 'brick vinyl' which can be fitted straight onto breeze block walls.

£63 per square metre including delivery IGWVI

## **CUT-OUT VINYL**

You don't have to cover entire walls.

With our cut-out vinyl, design words, logos and shapes and then stick them to the walls. Your wall will show through the cutout bits. Leaving that perfect paint colour you picked out to show through. To apply, peel off the backing. The self-adhesive pieces can be stuck to most flat walls, either inside or outside. Don't stop at walls – stick these on doors, lifts and cabinets too.

**£71.10 per square metre** including delivery IGWVIS

## **PRINTED BOARDS**

Look the business with low cost durable signage for indoors and out. Get custom sized panels cut to shape or choose from a range of popular sizes.

Screw directly to the wall or use your own double-sided velcro tape to stick to exhibition shell schemes.

EXPLORE SIGNS AT WWW.PRINTING.COM/UK/SIGNS-AND-GRAPHICS

## **STAND OFF THE WALL**

If you're too shy for full frontal wall covering, these acrylic displays are an elegant alternative. Choose between regular 3mm or luxury 5mm thick acrylic.

We print onto the face of white acrylic. Or smarter, we can print onto the reverse of the acrylic in UV stable inks. Then we print a white layer, so your image is visible.

Stick them directly to the wall or choose optional neat satin chrome stand-off fixings – just drill holes in the wall, screw in and you're ready to go. Perfect for mission statements, inspirational messages and navigational signage too.

From £82.80 each including delivery IGCAF3 Fixings from £6 each

## WALLPAPER

Our wallpaper has a smooth matt premium finish, like, well, premium wallpaper.

It's easy to order a bespoke design. Just measure the whole area and we'll design something to fit. We slice your design into strips, around double the width of a normal roll of wallpaper.

Anyone who's good at decorating can put it up. Paste the wall and hang it like you would at home. We recommend the optional 5mm overlap to make it easier to align each drop with the next.

**£47.70 per square metre** including delivery LEPWPPWX
